

## **APPENDIX G**

### **ELECTRONIC DATA INTERCHANGE (EDI) OPERATING INSTRUCTIONS FOR PREPARATION OF THE BILL OF LADING (BL) FOR SUBMISSION**

#### **A. GENERAL**

The Defense Transportation Electronic Business (DTEB) web site is located at: <http://nd1.lmi.org/dod/dtediframes.nsf>. After obtaining access to the DTEB Home Page go to the left-hand frame, then select Implementation Conventions (ICs) and ICs Completed for the information previously found in this Appendix.

#### **B. BILLS OF LADING (BL)**

The Department of Defense (DOD) is replacing the BL and other commonly used freight payment documents with electronic transfers of information using EDI techniques. References and points of contact are at Attachment G1. The use of electronically exchanged information will alter greatly the BL preparation and distribution procedures at all DOD freight shipping activities. Attachment G2 (Reserved), DFAS-IN BL Data Requirements Code lists are at Attachment G3, and Commercial BLs Data Requirements Preparation Format is at Attachment G4.
